Medieval Astrology Profile for Susan B. Anthony

File History: Initial 7-Jun-2016

Introduction to delineation of appearance and character in natal astrology. The following document is a hand-written analysis of **Susan B. Anthony**, using the principles of medieval predictive astrology. The discipline of natal astrology focuses on the fate of an individual based on a horoscope cast for the moment of birth. Within natal astrology, the 1st house occupying the eastern horizon at birth describes the native: physical vitality, appearance, and character. Between the Hellenistic and Medieval eras several specialized models were developed to assess these characteristics. They include **longevity** (vitality and length of life), **physiognomy** (form and shape of the face and body), **victor of the chart** (overall life purpose), **manners** (social conduct including ethical behavior), and **temperament** (elemental mix of fire, earth, air, and water with applications in medical astrology). Prior research has presented models and results for longevity (*A Rectification Manual: The American Presidency*, Chapter 4) and physiognomy (*Astrological Physiognomy: History and Sources* & *Astrological Physiognomy: Empirical Tests of the Leo Rising Decan*).

Victor of the Chart. Included are two competing models for computing the victor of the chart said to be the single most powerful planet in the horoscope. According to Plato's follower Porphyry, by configuration in the natal horoscope the planet signifying the victor of the chart shows the life choice made by the soul prior to incarnation. Plato explains the details of his soul model in *The Myth of Er* found in the closing pages of his work *The Republic*. Porphyry and his peer Antiochus offer specific rules for determining the victor of the chart. The method of Antiochus/Porphyry is compared to a later method for determining the victor suggested by the Jewish Rabbi Abraham ben Meir ibn Ezra, a philosopher and astrologer active in the 12th century. For a discussion of these two models, see the companion paper *Victor of the Chart: Testing Methods of Antiochus/Porphyry and Ibn Ezra*, which serves as a key to what is presented here.

Manners. Plato was not alone among Greek philosophers in conceiving models for the soul. Aristotle's model of vegetative, sensitive, and intellective soul levels (assigned respectively to the plant, animal, and human kingdoms) was taken up by Ptolemy, who found a correspondence between the sensitive and intellective soul and Moon and Mercury in the natal horoscope. Configuration of the Moon and Mercury, with special emphasis given to their rulers, is a second method for analyzing the soul. Ptolemy introduces this model in *Tetrabiblos III.13* "Of the Quality of the Soul." Subsequent authors refer to this model as "Significators of the Soul" or "Manners." A summary template for the Moon and Mercury is presented in the paper and will be further developed in future versions.

Susan B. Anthony (February 15, 1820 – March 13, 1906)

Susan B. Anthony was an American social reformer and feminist who played a pivotal role in the women's suffrage movement. Born into a Quaker family committed to social equality, she collected anti-slavery petitions at the age of 17. In 1856, she became the New York state agent for the American Anti-Slavery Society.

In 1851, she met Elizabeth Cady Stanton, who became her lifelong friend and co-worker in social reform activities, primarily in the field of women's rights. In 1852, they founded the New York Women's State Temperance Society after Anthony was prevented from speaking at a temperance conference because she was a woman. In 1863, they founded the Women's Loyal National League, which conducted the largest petition drive in the nation's history up to that time, collecting nearly 400,000 signatures in support of the abolition of slavery. In 1866, they initiated the American Equal Rights Association, which campaigned for equal rights for both women and African Americans. In 1868, they began publishing a women's rights newspaper called *The Revolution*. In 1869, they founded the National Woman Suffrage Association as part of a split in the women's movement. In 1890, the split was formally healed when their organization merged with the rival American Woman Suffrage Association to form the National American Woman Suffrage Association, with Anthony as its key force. In 1876, Anthony and Stanton began working with Matilda Joslyn Gage on what eventually grew into the six-volume *History of Woman Suffrage*. The interests of Anthony and Stanton diverged somewhat in later years, but the two remained close friends.

In 1872, Anthony was arrested for voting in her hometown of Rochester, New York, and convicted in a widely publicized trial. Although she refused to pay the fine, the authorities declined to take further action. In 1878, Anthony and Stanton arranged for Congress to be presented with an amendment giving women the right to vote. Popularly known as the Anthony Amendment and introduced by Sen. Aaron A. Sargent (R-CA), it became the Nineteenth Amendment to the U.S. Constitution in 1920.

Anthony traveled extensively in support of women's suffrage, giving as many as 75 to 100 speeches per year and working on many state campaigns. She worked internationally for women's rights, playing a key role in creating the International Council of Women, which is still active. She also helped to bring about the World's Congress of Representative Women at the World's Columbian Exposition in Chicago in 1893.

When she first began campaigning for women's rights, Anthony was harshly ridiculed and accused of trying to destroy the institution of marriage. Public perception of her changed radically during her lifetime, however. Her 80th birthday was celebrated in the White House at the invitation of President William McKinley. She became the first nonfictitious woman to be depicted on U.S. coinage when her portrait appeared on the 1979 dollar coin.

<u>Stage I. Determine the Ascendant sign</u>

Firdaria

With Venus in the sign of exaltation and in the 27th degree of Pisces which is the exaltation degree itself, we should expect to see a string of major life events during Venus major and subperiods. In favor of the nocturnal Firdaria series are the following events:

Mars-Venus. 15-Feb-1854 to 14-Feb-1855. The year 1854 was the first year that SBA with Elizabeth Cady Stanton (ECS) began to made inroads for women's rights. They both led the Women's State Temperance Society and began to campaign to expand New York state's Married Women's Property Law of 1848.

Sun-Venus. 20-Jul-1865 to 23-Dec-1866. American Equal Rights Association formed, 10-May-1866. This was SBA's signature organization which fought for simultaneous rights for women and freed slaves after the Civil War.

Major Venus. 15-Feb-1874 to 14-Feb-1882. The Supreme Court case Minor vs Happersett which denied women's suffrage under the Constitution opened the period. It led to SBA and ECS writing a Declaration of Rights of the Women of the United States on 4-Jul-1876 (Venus-Moon) and Senator

Aaron Sargent introducing a bill for the 16th Amendment for the first time (Venus-Saturn). Overall the Major Venus period was a very active one for SBA.

Conclusion: Figure is nocturnal

Moon's Configuration

For morning nocturnal hours, the Moon applies to Mars.
For evening nocturnal house, the Moon separates from Mars and applies to Venus.

Though SBA faced ridicule during her lifetime, with Mars a possible significator for personal attacks, her life direction always moved towards establishment of women's rights which is a delineation match to the Moon's separation from Mars (less ridicule in time) and the Moon's application to Venus (greater status of women).

Conclusion: Birth time is between sunset and midnight. Ascendant range is 26LE to 12SC.

Physiognomy

Except for one early undated photograph I have seen, all surviving photographs of SBA are taken at age 50 or older past her prime. The only consistent feature I have seen is her hair parted down the middle which is a classic Cancer signature for female hair styles. Let's set that aside for a moment.

Speaking of health and physical constitution more broadly, a standout feature of SBA's life affairs was enormous physical stamina and the lack of any serious physical ailments until a minor stroke on 9-Sep-1900 when she was 80 years old. These observations are consistent with either a fixed sign for the Ascendant sign or the Ascendant sign ruler. Possible signs are Leo or Scorpio with Mercury in a fixed sign ruling Virgo as another possibility.

What draws me to Leo (already narrowed to the last 4 degrees of Leo based on a nocturnal figure) is placement of the Jupiter-Sun-Mercury stellium in the 7th which places SBA's judicial advocacy (Jupiter), prominence as a celebrity feminist (Sun), and speaking/writing (Mercury) in the 7th house of legal conflicts. Individuals with Sun in the 7th find themselves on the front lines (e.g. George Patton) and Susan B Anthony is a classic example of this signature.

Conclusion: Ascendant is Leo

Configuration of the Chart

Making the Ascendant Leo places Mars/Cancer-rx in the 12th house of enemies. Mars the exalted ruler of the 6th of slaves placed in the 12th house is traditionally delineated as slave revolts. The retrograde feature complicates the delineation but Mars ruling the 6th in the 12th appears the best significator for the split in the women's rights movement between those who favored suffrage for freed slaves first [to be followed sequentially for women's suffrage] or simultaneous suffrage for both freed slaves and women which is what SBA and ECS favored. In the immediate years after the Civil War this issue caused the women's rights movement to split; the movement was not reunified until 1890.

More simply, Mars in the 12th of imprisonment is consistent with SBA's 18-Nov-1872 arrest for voting in Congressional elections during a Sun-Mars Firdaria subperiod.

Stage II. Determine the Ascendant's range within 1-4 degrees

Physiognomy

Returning to the first observation made on physiognomy in the prior section, recall I stated that hair parted in the middle is a Cancer ladies' hairstyle. For the last four degrees of Leo as the Ascendant choice, the rising decan is Aries. Rising decan ruler Mars is placed in the sign of Cancer so this evidence is consistent with the Stage I Ascendant choice. The only inconsistency with Mars/Cancer-rx as the physiognomy significator for the face is the absence of any notable asymmetrical feature common to retrograde planets often seen when they function as physiognomy significators. As one analog, Al Capone, also with late Leo rising, Aries decan, Mars/Cancer-rx, sustained injury to his face when he was slashed with a knife three times at the age of 17. As a result, one of his nicknames was 'scarface.' No such feature is evident for Susan B. Anthony. As a Stage II rectification technique, this inconsistency raised the most questions about staying with Leo rising (which is my choice).

Lots

Lot of father. 26CA35/3GE25
Lot of death of father. 29VI31/00AR29

For father's death 25-Nov-1862 we are looking for Mars (ruler of the 4th of father) and Mercury (ruler of the 11th of death of father) to be active.

csa Mars 3GE34 is conjunct the antiscia of the 1st lot within 11 minutes of degree.
dsa Mercury 28PI40 is opposed the 2nd lot within one degree.
Also trMercury 18SC51, ruler of the 11th, is placed in the 4th house of the father.

Lot of mother. 4VI37/25AR23
Lot of death of mother. 27LE13/2TA47

For mother's death 3-Apr-1880 we are looking for Venus (ruler of the 10th of mother) and Jupiter (ruler of the 5th of death of mother) to be active.

dsa Sun 25AR58 conjunct antiscia of 1st lot. The Sun rules the Lot of death of the mother.
csa Sun 25AR05 and csa Jupiter 27SA47 are near the 5th house cusp, death of the mother. Also by converse transit the South Node 27SA03 is also near the 5th cusp. These positions are trine the antiscia of the 1st lot but the more pertinent special relationship is their proximity to the 5th house cusp.

For SBA's 5-Nov-1872 Congressional vote and 18-Nov-1872 arrest as a result consider the 12th house Lot of Accusation, Injury, and Exile computed as 17SA23/12CP37:

Date	**Transits to Ascendant**	**Transits to the Lot**
5-Nov-1872	trJupiter 28LE54 conj ASC	trVenus 13SA08
18-Nov-1872	trJupiter 00VI14 past ASC	trVenus 29SA07, trMercury 16SA29

These are not 'exact hits' but are consistent with the strength of Jupiter on election day (judicial activism) which diminished after Jupiter made the Virgo Ingress (Jupiter losing dignity as triplicity ruler of fire and moving to Virgo sign of detriment) by the time she was arrested.

As far as the lot, Venus transited the 12th house Lot of Accusation between the time of the vote and her arrest. At the time of arrest, Mercury was within a degree of the lot. Note also that a consistent feature of my own research is the delineation of the 5th house as pertaining to elections. Traditional aphorisms state the 5th house is assigned to statements made after someone has died. I also note that the 5th is the 8th from the 10th, or death of the career. My own logic for assigning elections to the 8th house is that in the process of voting behind the curtain or voting by secret ballot, the public gets their chance to say what they really think about the candidates. In any case, the placement of the 12th house lot it the 5th is consistent with Anthony being arrested after voting in an election.

PT	D	Mars/Leo	P	opposition Jupiter (JU) d. => MC	4-May-1920
PT	D	Mars/Leo	P	opposition Jupiter (0) d. => MC	22-Aug-1920
PT	D	Mars/Leo	P	opposition Jupiter (BI) d. => MC	11-Dec-1920

This set of directions effectively moves the Sun-Jupiter conjunction in the 7th house to the IC. Broadly speaking these directions timed ratification of the 19th Amendment during the 1918-1920 time period.

Date	**Event**
9-Jan-1918	President Wilson made published appeal for the House to pass the 19th Amendment.
10-Jan-1918	House passed the 19th Amendment.
30-Sep-1918	Amendment failed in the Senate by 2 votes.
10-Feb-1919	Amendment failed in the Senate by 1 vote.
21-May-1919	After Wilson called a special session, the 19th Amendment passed the House with a victory margin of 42 votes.
4-Jun-1919	19th Amendment passed the Senate 56-25.
14-Feb-1920	League of Women Voters founded on the last meeting of the National American Woman Suffrage Association.
18-Aug-1920	19th Amendment ratified after Tennessee became the 36th state to ratify. The Tennessee vote was successful by a single vote in a simple majority of 50/99 voting in favor.

Had she lived longer to age 100, these measurements would have constituted a reasonable arcus vitae. Direction of the Jupiter-Sun conjunction to the IC is the posthumous conclusion of SBA's life as a suffrage activist.

Releaser and kadukhudhāh. Figure is nocturnal and Moon/Pisces/8th qualifies as the releaser. Venus/Pisces conjunct the Moon is the Moon's exalted and diurnal triplicity lord. Venus grants 82 major years yet Saturn deducts 30 minor years by conjunction and Mars deducts 15 minor years by trine aspect with reception (nocturnal tripliicty, bound, decan). Net projection of 37 is wrong.

This is a horoscope which appears to favor the Sun as the empirical releaser given Jupiter is the killing planet (rules 8th and significator for heart disease and pneumonia) and death was timed by a Sun square Jupiter solar arc direction. Jupiter is the most angular planet in the horoscope, rules the Sun by participating triplicity, rules the Moon by sign, and rules the Lot of Fortune (angular in the 1st) by bound. Jupiter grants 79 major years with malefics making no aspect and no deductions; Venus also makes no aspect; Mercury in the same sign does not appear to add years perhaps blocked by the Sun's light. A longevity projection of 79 years takes SBA to 15-Feb-1899 which was 19 months before a minor stroke on 9-Sep-1900. She lived another 7 years but the 1899 stroke does show a diminution of life force close to Jupiter's major years.

Victor of the Chart: Jupiter/Aquarius

Ibn Ezra's method favors Jupiter and Saturn. Porphyry's expanded Stage I criteria favors Mars followed by Saturn, Mercury, and Jupiter. By life affairs there is no question that Jupiter/Aquarius is Anthony's victor. Jupiter/Aquarius combines Jupiter's quality of justice with Aquarius' quality of fairness. Placed in the 7th house of open enemies and legal dispute makes Anthony an advocate for these causes which places her in contention with others.

Though Venus/Pisces signifies Anthony's high status and regard for women generally, Venus on the 8th cusp is simply not as powerful as Jupiter within 1 degree of the angular 7th house cusp. This horoscope is one of many examples in this study that demonstrates position can trump rulership when identifying which planet is the victor of the horoscope.

Manners: Saturn-Mars or Mars-Mercury.
