Medieval Astrology Profile for John Kerry

File History: Initial 13-Oct-2011; Technical Edit 9-Nov-2011; Fixed Star Correction 21-Jan-2013;
Tables Revised 16-Jun-2016

Introduction to delineation of appearance and character in natal astrology. The following document is a hand-written analysis of **John Kerry** made using the principles of medieval predictive astrology. The discipline of natal astrology focuses on the fate of an individual based on a horoscope cast for the moment of birth. Within natal astrology, the 1st house occupying the eastern horizon at birth describes the native: physical vitality, appearance, and character. Between the Hellenistic and Medieval eras several specialized models have been developed to assess these characteristics. They include **longevity** (vitality and length of life), **physiognomy** (form and shape of the face and body), **victor of the chart** (overall life purpose), **manners** (social conduct including ethical behavior), and **temperament** (elemental mix of fire, earth, air, and water with applications in medical astrology). Prior research has presented models and results for longevity (*A Rectification Manual: The American Presidency*, Chapter 4) and physiognomy (*Astrological Physiognomy: History and Sources* & *Astrological Physiognomy: Empirical Tests of the Leo Rising Decan*). This paper presents one of forty horoscopes chosen to populate an initial data set to investigate the victor.

Victor of the Chart. Included are two competing models for computing the victor of the chart said to be the single most powerful planet in the horoscope. According to Plato's follower Porphyry, by configuration in the natal horoscope the planet signifying the victor of the chart shows the life choice made by the soul prior to incarnation. Plato explains the details of his soul model in *The Myth of Er* found in the closing pages of his work *The Republic*. Porphyry and his peer Antiochus offer specific rules for determining the victor of the chart. The method of Antiochus/Porphyry is compared to a later method for determining the victor suggested by the Jewish Rabbi Abraham ben Meir Ibn Izra who was an active philosopher and astrologer in the 12th century. For a discussion of these two models, see the companion paper *Victor of the Chart: Testing Methods of Antiochus/Porphyry and Ibn Ezra* which serves as a key to what is presented here.

Manners. Plato was not alone among Greek philosophers in conceiving models for the soul. Aristotle's model of vegetative, sensitive, and intellective soul levels assigned respectively to the plant, animal, and human kingdoms was taken up by Ptolemy who found a correspondence between the sensitive and intellective soul and Moon and Mercury in the natal horoscope. Configuration of the Moon and Mercury, with special emphasis given to their rulers, is a second method for analyzing the soul. Ptolemy introduces this model in *Tetrabiblos III.13* "Of the Quality of the Soul". Subsequent authors refer to this model as "Significators of the Soul" or "Manners". A summary template for the Moon and Mercury is presented in the paper and will be further developed in future versions.

John Kerry (December 11, 1943 – living)

Born to a wealthy family whose father worked for the State Department, John Kerry was exposed to politics at an early age. At Yale, Kerry sought to emulate JFK with an increased interest in speaking out on political issues. The issue of Vietnam was central to college campus life in the late 1960s and for Kerry Vietnam was no different. Like many college students, Kerry was almost certain to be drafted after graduation. For Kerry, a volunteer enlistment leading to officer training was the better bet. Another influence was solicitation for military service by Assistant Secretary of State for Far Eastern Affairs William Bundy who was also the uncle of one of Kerry's roommates. On February 18, 1966, John Kerry enlisted in the Navy. Before he started active officer training in August, Kerry was selected to deliver the oration for his Class of '66. Echoing political themes that would drive him for the rest of his political career, Kerry critiqued America's involvement in Vietnam for its interventionism - a policy which worked in Europe but might not be applicable to Southeast Asia.

A three time recipient of the Purple Heart, the Bronze Star, and the Silver Star, John Kerry returned to the US in early 1970 offended at the senseless violence he had witnessed while serving in Vietnam. Recounting tales of war crimes committed by US soldiers (which years later he admitted were "over the top"), Kerry became an active member of Vietnam Veterans Against the War and led a Washington D.C. protest. His high water mark was testimony before the Senate Foreign Relations Committee on April 22, 1971 and a famous televised debate on the Dick Cavett show on June 30, 1971. After this time, Kerry's political career fell into oblivion. He married, attended Law School, and practiced law in the District Attorney's office prior to opening his own law practice.

Kerry began to plot a political strategy in the fall of 1981: the 1982 Massachusetts Lieutenant Governor spot which he achieved. And in a stroke of luck, Kerry was able to run for incumbent Senator Paul Tsongas' seat after Tsongas said he would not seek reelection in January 1984. Riding the wave of the Nuclear Freeze movement, Kerry was elected Senator in November 1984, an office he holds to the present day. Kerry's legislative record has been rated poorly; in one interview during one election campaign when asked to define his three main accomplishments Kerry struggled to answer. Even his investigation into the connection between the Contras and drug smuggling in early 1986 (before anyone knew who Oliver North was) was stymied by fellow Senators fearing Kerry would turn televised hearings into a circus similar to the one he participated in as an anti-Vietnam protestor in 1971. Kerry did however help seal the wounds of Vietnam by working with John McCain on the Vietnam MIA issue, made a hot button issue by *Rambo* and a series of other popular films. Kerry stood with President Bill Clinton when the US normalized relations with Vietnam on July 11, 1995.

John Kerry's 2004 Presidential Election strategy was designed to showcase his Vietnam military service in marked contrast to that of incumbent George Bush who waffled his way out of active duty through service in the Air National Guard. Unfortunately for Kerry, he met strong resistance from fellow servicemen who were angered by accounts of military missions made in the January 6, 2004 campaign biography *Tour of Duty: John Kerry and the Vietnam War*. As a result, the Swift Boat Veterans for Truth organization was formed which launched aggressive attack ads against Kerry. By all accounts, these attack ads crushed Kerry's credibility as a war hero. Kerry's reluctance to respond to the attacks did not help matters. He lost the election narrowly to George Bush and to this day remains Chair of the Senate Foreign Relations Committee.

Update: On December 21, 2012 nominated for Secretary of State by President Barack Obama.

References

Recommended as biography is *John F. Kerry: The Complete Biography by the Boston Globe Reporters Who Know Him Best*, PublicAffairs, 2004, by Michael Kranish, Brian C. Mooney, and Nina J. Easton. As a guide to the "swiftboating affair," one must start with the January 1, 2004 edition of Douglas Brinkley's *Tour of Duty: John Kerry and the Vietnam War* published by William Morrow. The rebuttal was *Unfit for Command: Swift Boat Veterans Speak Out Against John Kerry* by John E. O'Neill published by Regency Press on August 15, 2004. *Unfit for Command* prompted a revised version of *Tour of Duty* released on September 21, 2004.

Research Interests

- US Politicians – Democrat
- Similar horoscope: Eleanor Roosevelt (Sagittarius Ascendant, Jupiter/Leo, Saturn/Gemini)

Available Birth Data

Astrodatabank reports an 8:03 AM birth time, Rodden Rating C because of conflicting reports.

Proposed Rectification

John Kerry

39n44'21
ASC 7SA44'30"

Stage I. Determine the Ascendant Sign

Firdaria

Major Jupiter 11-Dec-1963 to 10-Dec-1975. Overseas military service and anti-war activism. Consistent with Jupiter in the 9th house of foreign lands and Jupiter placed in the bound of Mars.

Major Mars 11-Dec-1975 to 10-Dec-1982. Earned law degree, worked in District Attorney's office, later set up private law practice; consistent with Mars in the 7th of legal disputes.

North Node 11-Dec-1982 to 10-Dec-1985. Entered political office with election as Lieutenant Governor on 7-Nov-1982. Won Senate seat on 6-Nov-1984.

South Node 11-Dec-1985 to 10-Dec-1987. Denied participation in Iran-Contra panel, one of Kerry's signature issues. Consistent with South Node/3rd of communications/publicity. Congressional members were determined to squelch what might have become an 'over the top' inquiry.

Conclusion: Major life themes are consistent with a diurnal figure; also Sagittarius rising.

Configuration of the Chart.

Additional factors which support Sagittarius rising:
Rumors of affair with Alexandra Polier during February 2004 consistent with Venus/12th
Mars/Gemini/7th ruling the 12th of secret enemies is consistent with the Swift Boat Vet attacks made during the 2008 Presidential campaign.

Physiognomy.

Kerry's long face is consistent with Sagittarius rising and Sun/Sagittarius in the Ascendant.

Stage II. Determine the Ascendant's range within 1-4 degrees

Transits to the angles.

Both of these measurements:

tr. Jupiter 4SA59 for 23-Apr-1971 Vietnam testimony before the Senate and
tr. South Node 5SA28 for 11-Feb-2003 prostate surgery

suggest the first decan of Sagittarius rising.

Lots.

Occasionally one hits it out of the park with solar arcs to the lots. This is the case here with very exact measurements for death of the mother on 14-Nov-2002.

Lot of the Mother 24AR14/5VI46
Lot of Death of the Mother 17AR52/12VI08

For 14-Nov-2002, c.s.a. Saturn 24AT16 conj 1st lot; c.s.a. Moon 17AR55 conj 2nd lot

Lot of Marriage 11CA50/18GE10

For 26-May-1995 wedding to Teresa Heinz, tr. Mercury 18GE10 (rules 7th) conj antiscion of lot.

© Copyright 2016. Regulus Astrology LLC. All Rights Reserved.

Stage III. Determine the exact Degree and Minute of the Ascendant

The following MC-Jupiter directions were key to fine tuning the Ascendant. They are also another example of the primary directions – solar arc thesis: that solar arcs time a more public manifestation of a private event timed by the same primary direction. In this case, the MC-Jupiter primary direction times Kerry's Vietnam service, but the MC-Jupiter solar arcs time his anti-war protests to Congress regarding the same events.

REG	D	Mars/Virgo	P	MC d. => Jupiter (l=JU)	23-Jan-1966
REG	D	Mars/Virgo	P	MC d. => Jupiter	23-Jul-1966

Kerry enlisted in the Navy on 18-Feb-1966 and started officer training in August 1966.

PT	D	Mars/Virgo	P	MC d. => Jupiter (l=JU)	17-Feb-1967
PT	D	Mars/Virgo	P	MC d. => Jupiter	29-Jul-1967

The same set of directions computed by Ptolemy's method follow receipt of his Naval Commission on 16-Dec-1966 and his assignment to the frigate USS Gridley during June 1967.

<u>19-Feb-1971</u>. *d.s.a. Jupiter conj MC*
<u>22-Apr-1971</u>. *c.s.a. MC conj Jupiter*

This quasi sequence I used to lock the rectification. It begins with Kerry proposing the Washington protest on 19-Feb-1971 and his testimony before the Senate Foreign Relations Committee on 22-Apr-1971. Both of these are exact event dates.

PT	D	Mars/Virgo	P	MC d. => North Node	15-Sep-1981

Began making preparation for election race for Lieutenant Governor, fall 1981.

PT	D	Venus/Virgo	P	dex. square ASC c. => Venus (l=VE)	14-Feb-2004

Alexandra Polier denied rumors of an affair with John Kerry, 16-Feb-2004.

REG	D	Venus/Leo	P	North Node d. => LOF	9-Apr-2004

Actively involved in fundraising for the 2004 political campaign at this time.

PT	D	Venus/Leo	P	North Node d. => LOF	1 May 2004

Started major television ad campaign featuring his own biography, 3-May-2004

PT	D	Jupiter/Gemini	P	Mars (l=MA) c. => North Node	7-May-2004
REG	D	Jupiter/Gemini	P	Mars c. => North Node	30 May 2004

Both of these directions time attacks from the Swift Vets with the first attack made on 4-May-2004. These are planet-Node directions, not helpful for rectification, but nonetheless help to fill in the blanks on the timing of the Swift Boat Veterans for Truth movement which squashed Kerry's 2004 Presidential race.

Model Summary

(for model details see www.regulus-astrology.com/research.html)

Physiognomy

Ascendant sign: Sagittarius
Ascendant sign ruler: Jupiter/Leo
Ascendant decan: Sagittarius
Ascendant decan ruler: Jupiter/Leo
Planets/Nodes in sign of rising decan: Sun/Sagittarius

Kerry's long face is a match to Willner's elongated facial type for Sagittarius. This is consistent with Ascendant decan ruler Jupiter placed in Sagittarius, amplified by placement in the Ascendant sign.

Longevity: (living)

By policy I do not delineate longevity for the living.

Victor of the Chart: Jupiter/Leo

Jupiter easily outscores all other planets in both methods of Ibn Ezra and Porphyry. Jupiter is just before his first station, rules the Ascendant sign, and is in mutual reception with Sun/Sagittarius placed in the Ascendant sign. Jupiter/Leo/9th placed in the bound of Mars/Leo is a delineation match to John Kerry's life-long interest in foreign affairs and foreign military operations.

Manners: Saturn-Mercury or Mars-Mercury
