*Introduction to delineation of appearance and character in natal astrology.* The following document is a hand-written analysis of **Charles Coughlin**, using the principles of medieval predictive astrology. The discipline of natal astrology focuses on the fate of an individual based on a horoscope cast for the moment of birth. Within natal astrology, the 1<sup>st</sup> house occupying the eastern horizon at birth describes the native: physical vitality, appearance, and character. Between the Hellenistic and Medieval eras several specialized models were developed to assess these characteristics. They include **longevity** (vitality and length of life), **physiognomy** (form and shape of the face and body), **victor of the chart** (overall life purpose), **manners** (social conduct including ethical behavior), and **temperament** (elemental mix of fire, earth, air, and water with applications in medical astrology). Prior research has presented models and results for longevity (*A Rectification Manual: The American Presidency*, Chapter 4) and physiognomy (*Astrological Physiognomy: History and Sources & Astrological Physiognomy: Empirical Tests of the Leo Rising Decan*).

*Victor of the Chart.* Included are two competing models for computing the victor of the chart said to be the single most powerful planet in the horoscope. According to Plato's follower Porphyry, by configuration in the natal horoscope the planet signifying the victor of the chart shows the life choice made by the soul prior to incarnation. Plato explains the details of his soul model in *The Myth of Er* found in the closing pages of his work *The Republic*. Porphyry and his peer Antiochus offer specific rules for determining the victor of the chart. The method of Antiochus/Porphyry is compared to a later method for determining the victor suggested by the Jewish Rabbi Abraham ben Meir ibn Ezra, a philosopher and astrologer active in the 12<sup>th</sup> century. For a discussion of these two models, see the companion paper *Victor of the Chart: Testing Methods of Antiochus/Porphyry and Ibn Ezra*, which serves as a key to what is presented here.

*Manners.* Plato was not alone among Greek philosophers in conceiving models for the soul. Aristotle's model of vegetative, sensitive, and intellective soul levels (assigned respectively to the plant, animal, and human kingdoms) was taken up by Ptolemy, who found a correspondence between the sensitive and intellective soul and Moon and Mercury in the natal horoscope. Configuration of the Moon and Mercury, with special emphasis given to their rulers, is a second method for analyzing the soul. Ptolemy introduces this model in *Tetrabiblos III.13* "Of the Quality of the Soul." Subsequent authors refer to this model as "Significators of the Soul" or "Manners." A summary template for the Moon and Mercury is presented in the paper and will be further developed in future versions.

# Charles Coughlin

## **Charles Coughlin (October 25, 1891 – October 27, 1979)**

Charles Edward Coughlin, commonly known as Father Coughlin, was a Canadian-American Roman Catholic priest who was based in the United States near Detroit. He was the founding priest of the National Shrine of the Little Flower church. He was one of the first political leaders to use radio to reach a mass audience: during the 1930s, an estimated 30 million listeners tuned to his weekly broadcasts.

Initially, Coughlin was a vocal supporter of Franklin D. Roosevelt and his New Deal, but became a harsh critic of Roosevelt, accusing him of being too friendly to bankers. In 1934, he established a political organization called the National Union for Social Justice. Its platform called for monetary reforms, nationalization of major industries and railroads, and protection of labor rights. The membership ran into the millions, but it was not well organized locally.

After hinting at attacks on Jewish bankers, Coughlin began to use his radio program to broadcast antisemitic commentary. In the late 1930s, he supported some of the fascist policies of Adolf Hitler, Benito Mussolini, and Emperor Hirohito of Japan. The broadcasts have been described as "a variation of the Fascist agenda applied to American culture". His chief topics were political and economic rather than religious, using the slogan "Social Justice". After the outbreak of World War II in Europe in 1939, the Roosevelt administration finally forced the cancellation of his radio program and forbade distribution by mail of his newspaper, *Social Justice*.

### Stage I. Determine the Ascendant sign

#### *Firdaria*

The following events favor the Nocturnal Firdaria sequence:

Jupiter-Sun (1-Apr-1915 to 16-Dec-1916). Ordained priest, 29-Jun-1916.

Mars-Mars (25-Oct-1923 to 24-Oct-1924). Left Canada (1923, no date) for US over doctrinal differences, settled in Detroit.

North Node (25-Oct-1930 to 24-Oct-1933). Strong political influence favoring FDR; named a demagogue by the Detroit Free Press on 27-Mar-1933.

South Node (25-Oct-1933 to 24-Oct-1935) Named by WQR audience poll as most useful citizen in politics after FDR during Feb 1934; Instrumental in causing Senate to reject World Court legislation, 29-Jan-1935; Breaks with FDR the same day Huey Long is assassinated on 10-Sep-1935, thereby becoming the nation's leading political populist favoring a third party.

Sun (25-Oct-1935 – 30-Mar-1937). Formed a 3<sup>rd</sup> political party and put forth William Lemke as a Presidential candidate; very active during the 1936 Presidential campaign.

Sun-Saturn (13-Jul-1941 to 16-Dec-1942). Ordered by Bishop Mooney to stop all political activities, 1-May-1942; Postal Service revoked mailing permit, 4-May-1942.

### *Moon's Configuration and Degree*

Time	Moon's Degree	Sect	Configuration
12:00 AM	8LE48	N	Moon separates from Mars and applies to Venus
4:53 AM	11LE18	N	Moon separates from Venus and is VOC
6:31 AM	12LE07	D	Moon separates from Venus and is VOC
4:57 pm	17LE24	N	Moon separates from Venus and is VOC
12:00 pm	20LE57	N	Moon separates from Venus and is VOC

Moon is in Leo the entire day of birth. Apart from the first ~5 hours when the Moon separates from Mars and applies to Venus, she separates from Venus and is VOC the balance of the day.

For VOC Moon configurations, Maternus usually makes some kind of statement who suffers a loss following separation from family, wealth, career, or social status; sometime involving endless journeys as an exile. Arguably, Coughlin's career followed this line of thinking with Venus/Scorpio signifying his anti-bank and anti-Semitic commentary which inflamed the political and Catholic establishment who effectively banished him from politics. We hear little of Coughlin after his exit from politics in 1942 which occurred at the low point of the Allied forces in WWII.

This leaves either the brief 4:53 AM – 6:31 AM morning time window or the lengthier 4:57 PM – 12:00 Midnight time window as allowable birth times.

For the day of death, trMars 18LE47 and ctrSouth Node 19LE31 both suggest evening nocturnal hours. If so, this leaves a possible Ascendant range of 2TA, all of Gemini and Cancer, to 17LE.

### *Configuration of the Chart*

Choice of Cancer rising is consistent with three major life themes:

Jupiter/Pisces-rx/9<sup>th</sup> of religion (priest)

North Node/Taurus/11<sup>th</sup> – increase in political affairs

South Node/Scorpio/5<sup>th</sup> – decrease in political affairs

This delineation of the Nodes in the 11<sup>th</sup> and 5<sup>th</sup> axis matches Coughlin's backing of FDR during the North Node Firdaria period and his reversal against FDR during the South Node Firdaria period.

Cancer is the sign of political populism. While this is not necessarily indicated by the Ascendant, in some cases I have seen it by the L.Spirit or the L.Fortune, it is nonetheless a secondary piece of evidence favoring Cancer rising.

Conclusion: Ascendant is Cancer

*Solar Arc Directions*

Note: The Moon, although the in-sect luminary, times events which are unfavorable to Coughlin. The Moons placement in the bound of Mercury (Mercury/Scorpio very acerbic rhetoric), separating from Venus/Scorpio (people leaving his anti-bank and anti-Semitic rhetoric in the rear view mirror), makes Coughlin's flamboyant Moon/Leo with a bad aftertaste.

Single point: assigns 1 point for each essential dignity

Early medieval: sign 5, exaltation 4, bound 3, primary triplicity lord 2, decan 1. Used by al-Kindī and Māshā'allāh.

Late medieval: sign 4, exaltation 4, triplicity lords (all) 3, bound 2, decan 1. Used by Schoener; taught by Zoller.

Fixed Stars from Janus 4.3 software. Criteria: conjunction within 2 degrees longitude.

### Additional

Moon's Configuration: Moon separates from Venus and is VOC, nocturnal, preventional.

Moon-Mercury whole sign aspect? Yes. Moon and Mercury are in square aspect.

Do scoring methods agree? Mars (sign-based); Mars-Mercury (bound-based).

Ascendant decan ruler: Mars/Libra

Planets/Nodes placed in the Ascendant sign or decan: Mercury, Sun, Venus, South Node in sign of rising decan

Longevity: 88y 0m 2d

*Releaser and kadukhudhāh*. Figure is nocturnal and Moon/Leo/2<sup>nd</sup> qualifies as the releaser. Bound lord Mercury aspects by square but is combust so raises questions as to suitability as kadukhudhah. Moon/Leo in her own sign of rulership is allowed to serve double duty as both releaser and kadukhudhah; if so, Moon grants 108 major years. Saturn is in aversion and Mars's sextile is without reception so there are no obvious deductions from the Moon's major years. It is possible that the Moon, approaching the bendings of the Nodes, suffers a deduction from the Nodes. When the Nodes deduct years, they reduce by 25%; in this case  $75\% \times 108 \text{ yrs} = 81 \text{ yrs}$ . Again, not a match but within the decade.

Victor of the Chart: Mars/Libra

Porphry's Stage I criteria overwhelmingly favors Mars by both bound and total score. On bound alone, Mercury is the runner up with bound position of the Ascendant and Moon.

While Mercury/Scorpio signifies Coughlin's skill as a speaker and radio personality, Mars/Libra is the proper planet/sign configuration for a social justice warrior [Mars/Libra = Fighting for peace]. It's just in Coughlin's case that the sign lord of Mars is Venus/Scorpio which means his social justice messaging is premised on an anti-banking and anti-Semitic philosophy which went against the grain of mainstream US liberal sentiment (then and now). [Note: for discussion of Taurus as significator for the Jewish race and banking in mundane astrology, see the writeup for Adolph Hitler].

Manners: Mars (sign-based); Mars-Mercury (bound-based).
